1-2-15 Fukakusa, Minami-ku, Kagoshima, Kagoshima 100-8544 Japan

PERSONAL STATEMENT

I am interested in Healthcare financial management in the UK. In particular, organisational structure, financial management, commissioner-provider collaboration and integration of health and social care in NHS, local government are my main research theme. I would like to contribute to Japanese local comprehensive care system by research of UK's arrangement.

PERSONAL INTERESTS

I love visiting museum. In particular, my favourite period are romanticism, impressionist and École de Barbizon from the 18th to the 19th century. My favourite painter is Joseph Mallord William Turner. When I visited Tate Britain, I was overwhelmed by Turner Collection. I have never seen so many and various picture of Turner in Japan.
